### NOW SOLD IN AMERICA

In Less Than Five Years, Parisian Sage, the Splendid Hair Tonic, Is Sold All Over America.

There is a reason for the phenomenal sale of Parisian Sage in the United States during the past three years. And the reason is plain to all: Parisian Sage does just what it is advertised to do.

Ask the Red Cross Pharmacy about it. They will tell you that they rigidly guarantee it to cure dandruff, stop falling hair or itching scalp in two weeks, or money back.

There is no reason whatever why any man or woman should fail to take advantage of the above generous offer.

But one thing that has made Parisian Sage so famous is its peculiar power to turn the harsh, unattractive hair that many women possess into luxuriant and radiant hair in a short time. Women of refinement the country over are using it, and it never disappoints.

Sold by druggists everywhere, and by the Red Cross Pharmacy, for 50 cents a large bottle.—Advt.

## PARTNERS IN SUCCESS

The old idea of good business was to do the other fellow. The modern idea is to do FOR the other fellow—to make the transaction as profitable for him as for yourself. Modern business is built up, not by getting ahead of your customer, but by helping him to get ahead.

### Time to Leave!

When you discover you are not dealing with a ONE PRICE store, it's time to leave. A concession in price may look like a bargain. It is not. It means the first price was not the real one. It means you may get a second or a third reduction, if you are persistent.

Haggling is not the modern way of doing business. Our line of the famous SHUMAN AND ADLER QUALITY CLOTHES for men is all marked in plain figures. You get the rock bottom price AT THE START. Without argument, without question, we give you honest clothing and full value for your money.
